13 The amount deposited by the unsuccessful bidders will be returned immediately after the sale is concluded.

14 The successful bidder, should not give room to stock the collected material in our yard, by means of acquiring our yard for the purpose.

15 The successful bidder should clear the entire stock collected by him once in a month and clean the yard along with its surrounding areas and drain. Otherwise, the factory authorities will take up proper action in this regard at the cost of the purchaser.

16 For collection of cinder successful bidder should not give room for spreading ash. He should make his own arrangement as a safty measure.

P 592 B. PUTTASWAMY, *General Manager.*
